Same great double a month earlier. Only asterisk: Wolves host Lincoln that Saturday, so Graham drops two points for a missable Molineux date.

LAKE COMO + BERGAMO · ITALY

Como v Frosinone + Atalanta v Udinese

The romantic's choice: lakeside football Saturday, Bergamo's Città Alta Sunday. Four games within an hour that weekend. Como's tiny ground is the tricky ticket.

COLOGNE + MÖNCHENGLADBACH · GERMANY

4th · 21/25

Köln v Mainz + Gladbach v Schalke

The atmosphere maximalist's pick: two thunderous grounds 30 minutes apart, €20 standing, kölsch by the metre. Catch: QPR at Molineux — Graham's run-in dilemma.

SEVILLE - LA CARTUJA · SPAIN

6th · 19/25

Betis v Sevilla — El Gran Derbi

The small print: leagues have fixed the weekends but confirm exact kick-off days only 2-6 weeks ahead (Portugal ~10 days) — trips are planned around the weekend, with backup games where possible. Match tickets go on sale 1-4 weeks before kick-off from official club sites; face-value prices shown. Costs are early-booking estimates per person (twin share) including flights, trains, two hotel nights, both match tickets, food and beer. Reminders are already set for flight releases (Nov), train promo fares (Feb), kick-off confirmations (Mar) and ticket sales (Apr).
